CUBE SYSTEM

Harnessing the power of information systems for a richer, more convenient society

CUBE SYSTEM was established in 1972 with the desire to serve our customers, and for more than 50 years since then, we have provided support to customers through our system solution business. As a company, we have valued a spirit of "contributing to society with multifaceted thinking by leveraging technology and creativity in a constant quest for innovation." Moving forward, we hope to continue to "grow alongside our customers" while resolving social challenges.

Management Philosophy

Companies thrive through the support of various people.
Business must continue in order to ensure people's well-being, including our employees. The source of business continuation and prosperity is profit, and profit is generated by our customers.
Based on this philosophy, we go forward to create a globally acclaimed company.
